

Culinary Careers

Directions:

1. Think of at least ten careers in the culinary industry. Ex: line cook, head chef, etc.
2. Conduct proper research on each of these careers, gathering as much information as you can.
3. Choose two careers and compose a job description for each. Include such things as:
 - A. Hours
 - B. Required experience
 - C. Approximate salary and benefits
 - D. Any other details relating to the specific job you chose
